## ***Technical Expertise in every product***

When it comes to luxurious bathroom products Speed Bath Tech has become a name to reckon with over the last 25 years. Being pioneers in Showers and Health Faucets Industry, Speed Bath Tech, is part of the 35 year old Marca Coroma Group. Armed with 3 decades plus of experience and an array of designs, Speed Bath Tech believes that the products should be both functional as well as aesthetically stunning.

Speed Bath Tech has more than 1 Lakh Square Feet of Production space at Bahadurgarh, Haryana along with sub units at Bawana & Nihal Vihar in Delhi. We generate employment both Directly & Indirectly for around 1300 individuals.

A 6 Sigma Certified company Speed Bath Tech is swiftly growing into a multi diversified bathroom solutions provider. We adhere to global quality standards and are ISO 9001- 2015 certified. We use superlative material such as Brass, SS-304 (18/18), Engineering polymer ABS Acetyl-Acetate, PBT, PTMT, Nylon, food- grade silicon (anti allergic and Eco- friendly) with anti -microbial treatment (anti- fungus quality), Electroplating Nickel – chromium coated surface salt spray test, thickness layer testing each batch under roof. Our R& D Wing includes value added engineering through professionals of doctorate level who painstakingly develop state-of- the- art products for our broad spectrum of clients. All our fittings are well tested on several quality parameters. A well regulated warehouse helps us in storing all the manufactured panels and showers.

Finally with an extensive distribution network, we manage to deliver our products to our customers with in a stipulated time frame.
